objective

Develop compelling content and technologies for the web and other media.

current work

[web/unix developer](#), dottystyle creative, 27F burgundy tower, buendia, makati city

fr: november 2009 - present

I develop ecommerce and web publishing solutions using open source technologies: magento, wordpress, zend framework, in unix/linux systems. I also write my own tools to streamline redundant tasks and processes.

notable experience

[freelance web developer](#)., developed online and print solutions for local and foreign clients including wella philippines, boma corporation and flying squirrel storage.

[game development/flash lecturer, asia pacific college .](#), instructed and drafted an introductory course on game development using flash.

[web developer/team lead, xcoin inc.](#)., lead development and maintenance of new features for an online payment application for a startup company. implemented processes for testing and deployment. worked with .net/c# technologies.

computer proficiency

[os](#) -> mac os x and most unix/linux, windows

[programming](#) -> javascript (jquery, prototype), php, mysql, objective-c/cocoa
ruby, python, working knowledge of nosql(mongodb, redis), actionscript, C#

[development](#) -> git, vim, regex, bash, awk, sed, svn

[graphics](#) -> adobe photoshop, adobe illustrator, gimp 2.6, swift 3D

[video](#) -> adobe premiere, adobe after effects, final cut pro

[sound](#) -> apple soundtrack pro, garageband, audacity, propellerhead reason

other achievements

composed first full length film score for 'rindido', a 2010 metro manila filmfest finalist (indie film category).

<http://www.imdb.com/title/tt1826835/>

wrote a mac os x surveillance application after just 2 months of switching to mac. eventually published in macworld germany and macpeople in japan.

<http://sneakybastard.co.tv>

co-wrote the screenplay for 'babae ako', a 2009 ccp gawad for alternative films honorable mention.

<http://www.imdb.com/title/tt1724542/>

education

1999, university of sto. tomas, bachelor of fine arts major in painting
